*Merry Christmas*

4th November 2019

Dear Valued Customer

We, at Tom & Luke, would like to thank you for your partnership in 2019 and wish you a Merry Christmas and a happy New Year for 2020!

We will be having our annual shut down which will commence from 20th December and will be re-opening for business on 6th January 2020. This will mean no skeleton staff on-site during this shut down period.

We ask that you please work with us to plan during this time and ensure your final orders are placed on or before 18th December 2019 to avoid stock shortages.

Regards

TOM & LUKE TEAM
